

BAYROC - Luxury Oceanfront Residences

Nassau, Bahamas - Developer Compass Bearings Limited has constructed the fastest selling condominiums, BAYROC, an exclusive oceanfront gated community of 55 residences. Those who appreciate a luxurious island lifestyle now have the option of purchasing a primary residence, second home or investment property. This community is located along the world famous Cable Beach, 15 minutes away from Nassau's International Airport, and Bay Street's duty free shopping.

Phase 1 & 2 have been completed and are 100% sold out. Presales are now proceeding on Phase 3 , Roc Tower, which will commence construction shortly. Select residences remain available for purchase in the Roc Tower.

It should be noted that there are no other gated condominium communities like this in The Bahamas that offer the standard of luxury, privacy and convenience offered at BAYROC.
