DONATION SALES DRIVE - CSR INITIATIVE

As an extension of our philanthropic act to better the lives of 150 residents of Kheng Chiu Happy Lodge (Kheng Chiu Loke Tin Kee Home) in Tampines where Valiant Network donated \$10,000 in June 2013, a donation sales drive was also part of the CSR (Corporate Social Responsibility) campaign to raise additional funds for the sheltered home. This CSR initiative was carried out in conjunction with local evening Chinese newspapers, Shin Min Daily News which endorses this charity event.

In addition to the \$10,000 donation and free installation of Valiant bio-metric locks, CCTV, digital peep-hole cameras and cabling, Valiant Network will also be donating \$50 to Kheng Chiu Loke Tin Kee Home for every Valiant bio-metric lock sold during the month-long charity drive from 19 June to 19 July 2013. Offered at a special reduced price of \$599 to Shin Min Readers, it is hoped that more money can be raised for the Home.

With an accuracy of 99.9%, Valiant 3-in-1 Intelligent bio-metric lock is made with European technology and boasts of 3 unlocking mechanism - by fingerprint, RFID card or a theft-proof key. The lock can store up to 120 finger prints and operates with only 4 "AA" batteries.

SPONSOR OF SMA VIDEO COMPETITION

Organized by WDA (Workforce Development Agency) and managed by SMA (Singapore Media Academy), the rationale for this first-ever video competition is aimed at creating a greater public awareness and appreciation of the business services in the areas of security, cleaning, landscape/floristry & social services.

Programme partners and sponsors like ourselves will be playing supporting role for this competition, serving as participants' "resource centre" for industry information for filming and related activities. WDA's team will provide inputs for the timeline, concept, and requirements for this competition.

The video competition has been open for participation and contestants will be required to submit their works in video DVD format (180 seconds/3 minutes) using predominantly the English language.
